

Rebecca Hodgkin **LLB Hons, LLM (Edinburgh)**

General Information

Rebecca specialises in family law, regularly appearing in courts across the country in multi-day/week cases. She represents both claimants/applicants and respondents/defendants in often highly complex matters.

Professional and lay clients have described Rebecca as approachable, supportive, persuasive and confidence-inspiring. She is perhaps best described as a confident and tenacious "Modern Counsel" dedicated to achieving the best result for her clients in often difficult cases. She has a very strong belief in client care and understands that cases can be highly stressful and as a result she retains a loyal and ever-growing client base.

An established Public Access practitioner since 2008, Rebecca is regularly instructed on this basis for Private Law Child arrangements matters in courts across the UK. She prides herself on her strong, clear, practical and compelling style.

Family Law

Her particular specialist area is Children Act matters, including complex, multi-day fact-finding hearings including the making of or responding to allegations of coercive and controlling behaviour, physical, emotional and sexual abuse, parental alienation and fabrication of allegations, non-molestation and occupation orders.
