Feedback:

"I could not be happier to have been introduced to Ralph McMullan. The dedication and professionalism with which Ralph undertook the, quite simply, herculean task of getting up to speed with the intricacies of my complex Parental Alienation case were incredible. There is no doubt in my mind that Ralph excelled himself – with only 1 metric to be measured, the protection of my daughters; where not a single mistake could be made. I could not have wished for a more involved or understanding Counsel – and I have been amazed by his guidance and input over my journey of the last 2 weeks - most notably, doing 4 cross examinations in 1 day. As this case hopefully draws to a close, I

sincerely hope that Ralph is by my side and helps to protect my daughters' interests. Many many thanks, Ralph, I cannot express my gratitude enough. "
