Feedback:

"It's rare to find such a phenomenal talent as Caroline. It has been my privilege to work with Caroline for the past several years on complex international law matters. Caroline assimilates and processes enormous amounts of information in record time. That combined with her unwavering attention to detail, vast experience in the Courtroom and extensive an knowledge of international law give her an incalculable advantage over her opponents. Caroline cares about her clients and I she goes the extra mile to ensure outstanding results for them. Warren Lichenstein Founder and Executive Chairman at Steel Partners Holdings New York, USA "
