Feedback:

"At a time where I felt that I had exhausted all my options, that no one was listening and even began to doubt myself about what I was pleading, Hugo took the time to listen and help me. I cannot thank Hugo enough for the sheer amount of effort, compassion, determination and support he has shown me over the last year. His approach to things is systematic and efficient while ensuring that we were working together and not him simply dictating what he felt was best. He took the time to listen to what I wanted, and we devised a plan accordingly. His advice throughout proceedings has been incredible and never failed to respond to my numerous emails reaching out- he always found the time. I cannot put

into words how grateful I am for the incredible service I have received and will always be thankful that he made the decision to help me. Hugo is an exceptional barrister, and I could not recommend him enough. ”
