Very experienced in:

- Commercial Arbitration & ADR inc Adjudication
- Business & Commercial Law - Bankruptcy, Chancery, Contract, Company Law, Banking & Financial Services
- Consumer Rights Act - Breach of Contract generally

Feedback:

"Tahir was absolutely outstanding throughout my case and very professional and cared so much about my case by treating it as his own. Tahir [and his team] kept me updated with progresses and set-backs, and paid attention to every detail. This made me feel very confident during the process that I was going to get a positive result in the end."

Cyril, Private Client
