### Very experienced in:

- Employment

### Feedback:

*"I was recently represented by Counsel Samantha P. I instructed Samantha with less than 2 weeks till the hearing on a case that has been going on for more than 5 years. I was impressed by Samantha's professionalism and attention to detail. Samantha was able to secure victory on a case that felt hopeless on paper. Thank you so much and Highly recommend Clerksroom. Sam was very helpful in organising and facilitating the booking Samantha "*
