Feedback:

"I cannot speak highly enough of Michael (O'Neill). I have always found that Michael has a superb eye for detail, is the best advocate that I have ever seen during my time in this line of work, he is extremely adaptable and will always work around us in the event that tight deadlines are in place, and has a very good manner with clients in conference. I have used Michael on a wide range of cases previously and no case is too much of a challenge for him. He is always prepared to give a difficult case a run and has achieved many superb results for me over the years. "
