- Professional Negligence
- Inheritance Act Claims
- Business & Commercial Law - Chancery, Contract, Company Law, Insolvency

Feedback:

"Good Afternoon, James represented us on this case and he was fantastic. Holiday sickness claims are very difficult to prove and James did an amazing job in analysing and dissecting the Defendants disclosure documentation. His technical ability is outstanding, The feedback I got from my clients is that he was very approachable and they were very happy. We are very pleased and we will certainly be sending further holiday sickness briefs to Clerksroom and look forward to working with James. "
