Feedback:

"I have been asked to provide some feedback on Sarah Clarke, who has assisted us several claims. I find the whole experience working with Sarah to be very professional and 100% commitment to the tasks at hand. She responds promptly to all queries made with her, and goes over and above her instruction. She deals with the clients professionally and in a caring manner, putting them at ease. Sarah is very knowledgeable with regards to the claims I have instructed her on and has obtained fantastic results. Outcome of hearings are reported back to us straightaway and the reports are very detailed and concise. Would not hesitate to instruct Sarah on any future claims. She is a credit to the

profession. ”
