Feedback:

"Good Morning Sue Thank you for your attendance yesterday and your detailed note below. This is an excellent result for my insurer client on a case which could easily have gone either way. In respect of the Portal, the initial Stage 2 pack did not include the hire, this was included as 'additional damages' at the end of Stage 2, hence why proceedings were not issued pursuant to P8B (as the initial damages were compromised on the Portal). The differences in sums claimed for hire were; the ABI rates compared to the commercial rates applicable once 90 days expires. Apologies I did not think this was relevant information, but with hindsight, given the inclusion of the Stage 2 'additional damages'

pack as evidence in my most recent witness statement I now realise it would have been prudent to have provided you (and the Court) some background. In any event, great result, and thanks again. Best regards Karl "
