- Employment
- Credit Hire (Claimant)
- Road Traffic - RTA (With Personal Injury)

Feedback:

"For anyone looking for an outstanding employment barrister then look no further than Dravin Bheemah. I have worked with many barristers in my professional life and they have been all very competent and capable. However, if you are looking for someone who has compassion and will absolutely go the extra mile, then this is the barrister for you. I would highly recommend him if you are looking for a barrister who cares."

Margaret Kay

HR Director
