Introduction:

Jason has specialised in family law since being called to the bar in 2009. He is able to advise on all aspects that often relate to the breakup of a family and the consequential impact this has on the arrangements for the children and/or the matrimonial finances or where protective injunctions may be required.

Jason also has significant experience of public law care proceedings and is regularly instructed by local authorities, parents and Children's Guardians and has experience of a wide range of hearings relating to care proceedings, placement and adoption.

Jason also accepts instructions on a range of civil law matters such as Personal Injury (PI), Road Traffic Accidents (RTA) and preparing infant approval settlements. Jason acts for both claimants and defendants and will draft particulars of claim, defences and counterclaims and will readily advise on quantum and liability.

Whilst Jason is a robust advocate he is also very able at placing his clients at ease and sensibly guiding them through the legal process.

Jason is accredited to accept instructions direct from the public.
