Feedback:

"I have had the pleasure of briefing Gerry Heap for a good number of years...He is a knowledgeable and tenacious barrister, equally at home with preparing pertinent and well reasoned written Advices or in Court where I have seen him first hand literally demolish opposing arguments with aplomb. Teamed with Clerksroom Chambers and their wealth of experience, efficiency and friendliness, they are a great combination and I never hesitate to instruct Gerry if he is available. He is a Barrister I can trust, in a set of Chambers that are most trustworthy."
