***TRACK DAY
INFORMATION***

INTRODUCTION

If you like fast cars then we suggest you keep reading!

Clerksroom have teamed up with Radical Sports-cars to offer an unforgettable experience. Join us for 2 days on 20th and 21st April for some fast paced fun.

The event will kick off at Radical's factory where we will be helping the Radical team to unload their trucks, receiving training for pit-stops and a tour of the factory. You'll get a full feel of what it's like to be part of a racing team for the day. We then head to a hotel for the evening with a full 3 course meal and a speaker from the motor-sport industry. The next morning will be an early start (yes sorry!) For a full track day at Donnington park, with 6 Radical cars for the whole day. Each person will drive a car and receive instructor lead training.

A double hotel room for the night, as well as the 3 course meal is all included. All food and drink for the track day is also provided.
