

Andrew Mckie (2011)

General Information

Summary/ Background

Andrew is a specialist in claimant **personal injury**, with a particular interest in cases involving **employers liability, public liability and Travel claims**. Andrew also specialises in **multi track and serious injury claims**. Andrew has published several books on EL/ PL, fraud and Travel claims which can be found at :-<http://www.lawbriefpublishing.com/all-books/>

Andrew also has a specific interest in **housing disrepair and cavity wall claims**. Andrew is **published** on the subject at <http://www.lawbriefpublishing.com/product/housingdisrepairandcavitywallclaims/>

Before qualifying, as a Barrister, Andrew has 6 years advocacy experience, as a Solicitor. Andrew has worked for a number of leading **Legal 500 firms** specialising in RTA fraud, including Keoghs LLP and Weightmans LLP, acting for some of the leading insurance companies in the UK.

Andrew has also worked for a number of leading claimant personal injury and credit hire law firms, acting for some of the largest credit hire companies in the UK. Previously, Andrew was the Head of Litigation and In House Solicitor Advocate at a claimant personal injury and credit hire firm, with over 50 staff, and Andrew brings this vast experience, as a Solicitor, to the Bar.

Andrew is also a **trainer for MBL seminars** and the courses can be found here <http://www.mblseminars.com/Speaker/Andrew%20McKie/767>

Andrew also regularly writes Articles for legal publications such as JPIL and Law Brief Publishing and the books can be found here <http://www.lawbriefpublishing.com/all-books/>

Andrew is a Member of the Personal Injuries Bar Association and Association of Personal Injury Lawyers.

Why instruct Andrew and what makes him different from other counsel?

- **Andrew is a former solicitor and understands the service that solicitors expect, when instructing counsel. In particular, Andrew understands the importance of protecting the solicitor's costs position.**
- **Andrew prides himself in offering a friendly and approachable service. Andrew is happy to provide his mobile number and direct access email, to fee earners, for any informal queries on cases, without the need for formal instructions.**
- **Andrew will always endeavour to return all papers within 14 days and adopts a flexible approach to his work. Andrew is happy to accept urgent instructions, where the need arises.**
- **Andrew will fight cases aggressively for your clients, but with a commercial outlook. Andrew will always maintain a robust approach to litigation. Andrew will always put your clients first and will offer commercially sound advice.**
- **Andrew is happy to consider entering into a firm wide CFA, for bulk instructions. Andrew is happy to consider entering into a CFA on cases where other Chambers may charge you privately.**
- **Andrew is happy to attend your offices for conferences with clients, or conduct them by telephone. Andrew also offers a national advocacy service.**
