

Andrew Thornhill KC

General Information

Andrew Thornhill KC has extensive experience across the full range of tax law, with special emphasis on employee benefit trusts, employee remuneration, share schemes, inheritance tax/capital gains tax planning and litigation.

The Chambers Guide says "Best known for his particular expertise in employee benefit trusts and disguised remuneration matters. He also advises on corporate reorganisations and the use of offshore structures to hold UK property assets. Thornhill has additional knowledge relating to tax schemes, capital gains tax and Advanced Payment Notices. He's a go-to member of the Bar, particularly in relation to the tax implications of employment structures." (2020)
