### GENERAL INFORMATION

Boris is a CEDR accredited, independent commercial and civil mediator. As a solicitor, and partner of a law firm, Boris has had extensive experience of civil and commercial disputes.

His attention to detail, together with his experience of running a business, makes him well suited to mediations where a deep understanding of financial matters and commercial considerations is important.

Before qualifying as a solicitor, Boris worked as a software engineer on large logistics and financial projects. He would, therefore, be ideal for disputes involving information technology.

Boris has a friendly, approachable style, and his enthusiasm for assisting parties to reach a negotiated settlement underpins his commitment to mediation.
