

## Farah Stehrenberger

---

### General Information

Farah is known to win cases against the odds. Her clients trust her independent judgement and therefore the majority of her work comes from client referrals. On many occasions, the losing parties have asked her to represent them in their future legal proceedings and have also referred her to their friends.

Since 2009, Farah has provided free legal advice and representation to homeless and disadvantaged people. She also provides a subscription-based 'virtual in-house' legal advice service for companies.
