

Kevin Morrow

General Information

Kevin has over 23 years' experience as a barrister's clerk, having started at 11KBW in 1997, and joining Ely Place Chambers in 2001 where he became the Deputy Senior Clerk in 2017.

Kevin joined Clerksroom in August 2020, keen to join a barrister set that is ahead of its time and ideal for the modern way of working. As Clerksroom's London Manager, Kevin helps with any London based enquiries, from professional and public access clients. He has a detailed knowledge of each member's practice and is therefore able to advise clients in relation to new instructions. Kevin is committed to providing the best possible service to members of Clerksroom and to clients and is known for being responsive and proactive.

Key responsibilities include:

- Responsible for all aspects of Clerksroom operations in London including overseeing the smooth running of our facilities at 160 Fleet St, personal marketing and networking, and the onboarding of new members located in the London area.
- Recruitment of new Barrister members
- Public access clerking for Clerksroom members and the smooth management of instructions from Clerksroom Direct to Clerksroom members.
- Chambers & members compliance with BSB regulations and policy updates, together with the clerking team and management board.

In October 2019 Kevin successfully completed a two-year ILM level 5 Diploma in Leadership and Management.

On a Personal Note:

Away from Chambers, Kevin is a big cricket fan and enjoys travel, food and wine. He has recently taken up cycling and can often be seen struggling up the hills in Surrey, sometimes the ones with a pub at the top!
