---

### General Information

Beccy leads the Payment Processing team. The Payment Processing team are responsible for the receiving and allocating of payments from clients and ensuring they are paid onto the barristers correctly.

Beccy started her career working for an independent department store where she eventually worked her way up to Marketing Director. Whilst working for Camp Hopson of Newbury she went back to college and completed her BTech Business Management Diploma and exceeded all expectations!

Beccy then moved across to hospitality. Wanting to experience running her own business it was an easy transition. If you know Beccy, you will know she just loves chatting to people! Beccy spent 15 years in hospitality, which she says was 'enough chatting!'.

Beccy is enjoying the change in direction having joined Clerksroom and can enjoy a lifestyle that she hasn't had for a long time.

On a personal side, Beccy has been married for 14 years, no children but has a dog called Rupert. She enjoys lots of walking, usually a circular route with a pub in the middle for light refreshments! Beccy describes herself as a 'golf widow', but doesn't mind this as it allows her to go off to various music and film festivals. If not walking, then Beccy loves to have her nose in a good book.
