## Recent feedback

"Dear Theo, I thought you might like to know that following our mediation session by you on 20th February, we reached an agreement to settle at the level you achieved on the day...

I would like to **thank you for bringing the matter to within a hair's breadth of settlement in such a short time. Taking just five hours to settle** a dispute that has been running for more than two years is **quite remarkable**. Your **friendly and engaging manner** made the process quite enjoyable. I only **wish we had followed this course sooner**. Our "round table" discussions a year earlier were a disaster.

Thank you once again Theo."

Simon Liddamore, Zanaco Investments Limited

*"I used Theo as mediator in a recent case. Despite only having four hours in which to broker a deal, he managed it. I was very impressed by **hstenacity** in the face of two parties who both threatened to walk away. I would recommend Theo for his **strategic, commercial thinking** and his **determination** to get a result for all parties involved."*

Simon Hale, Barrister, Hardwicke

*"I instructed Theo on a 1/2 day Mediation. Theo's mediation approach was excellent; indeed, **he went above and beyond** to facilitate a settlement."*

James Freemantle, Ambrose Appelbe Solicitors

*"As an observer, I attended a mediation with Theo, who was first class, highly **personable, hands-on, pragmatic** and **energetic**, with a great sense of humour. His rapport building was **superb**. He also took time out to discuss the case and tactics with me, which was great."*

Henry Minto, Osborne Clarke

*"Dear Theo: Well done on yesterday –**another one settled**, and thank you for all your hard labour!"*

*"I echo (my client's) sentiment that your involvement assisted immensely in reaching settlement. For me it was good to have someone involved who I felt understood both the context and the legal issues involved. This assisted in drawing up an agreement to conclude matters on the day."*

Liddell & Company

*"Settlement was reached which was something of a surprise and relief given the level of relationship difficulty between the parties that had stalled previous settlement attempts."*

Wortley Byers

*"Theo Pangraz skilfully resolved a highly emotive dispute that my clients thought was impossible to resolve amicably. I would not hesitate to use him again."*
