TO WHOM IT MAY CONCERN

Stephen Shaw of Lamb Chambers, Temple, was instructed to act as a mediator in a highly contentious dispute relating to property interests in development land. I represented one of the parties. In my view, when agreement was eventually reached between the parties, it came about principally by reason of Mr. Shaw's efficient analysis and assimilation of each party's case and their interests, and his sensitive assistance with, and where necessary prompting of, the negotiations. I found his presence constructive and helpful, and I have no hesitation in recommending his further instruction as a mediator.
